Your contribution to the Mentor Program

(Please check one or more)

Provide social opportunities to the student (Ex: have the student over for coffee or for dinner, meet members of your family, show the student around Paris or the countryside over the weekend ...)

Provide academic opportunities or introduce the student to the professional world in France (Ex: show the student your place of work, introduce him/her to cultural differences in the work environment between the US and France, invite him/her to a seminar ...)

Other projects or ideas you would like to propose. Please mention them briefly:
